

What is Cash Discount?

Cash Discount lets you enjoy the same profit margins on cash payments and non-cash payments! Check with your sales representative to see if cash discount is enabled on your account. Then, inform your customers of both cash and non-cash prices* using the included stickers.

*If only one price is posted, it must be the credit card price.

CUSTOMER NOTICE

ITEMS HAVE BOTH A CASH
& A NON-CASH PRICE.

PAY WITH CASH & SAVE!
